Sport

K-6 sport sessions are held on Tuesday afternoons. Talented students have access to representative sports through Cootamundra Zone PSSA activities.

Excursions

These occur throughout the year and are arranged by teachers to extend understanding of topics beyond the classroom. Excursions range from short visits to places of interest in the local area or city to overnight trips.

Canteen

Our school does not run a canteen. On occasions, special lunch days will be coordinated by the SRC and/or school staff.

Communication

SKOOLBAG - will be our main source of notification to our parent body for urgent reminders and upcoming events. Notes and The Stock Report will also be published via this App.

NEWSLETTER - will contain mainly pictures of events, classroom activities and the like. It will not be our main form of communication. We want it more about good news stories! It will, when needed, have the calendar of events for you to refer to.

NOTES – written communication, such as permission notes and updates will be sent home well in advance of events, with the eldest child. Please return any permission slips before the due dates.

FACEBOOK – The P&C will continue to operate a Facebook page. Please contact Taya (Vice-President) for further information.

TELEPHONE – Please be reminded that the office is unattended Monday and we may be unable to attend to any calls until after school. Mr Leary will be in the office on Tuesday and Shelly works Wednesday-Friday.

Student Leadership

Students from Year 6 are elected to the position of School Captain (2) by their peers. The Student Representative Council comprises 1 student from Stages 1, 2 and 3. New Stage representatives are elected at the beginning of Semester 2 to join the existing SRC. Senior students are elected as Sports Leaders for Dinga Dingi and Yeo Yeo Houses.

Parent Participation

Parents, family and carers are actively involved in a wide range of school programs and activities. The Parents' and Citizens' (P&C) Association provide opportunities for parent participation in school and student issues. The P&C meets on the second Tuesday of each month. Parents are encouraged to get actively involved in special school events held throughout the year which may include performing arts assemblies, morning teas, Kindergarten Orientation and open days, sports carnivals and Presentation Day. Parents are also invited to assist with classroom activities.

SPS Student Awards System

SPS has a whole school awards system that is specifically aligned to our Positive Behaviour for Learning (PBL) framework and expectations. Awards are given purposely across all areas of the curriculum and where possible fairly across all students. School awards have been set for acknowledging positive behaviours, high achievement, encouragement or improvement. All families are provided with an overview of the SPS Awards System and PBL expectations matrix.

SCHOOL READINESS

Below is a list of skills you might like to do with your child in the months leading up to Kindergarten. These skills may assist your child to transition into school activities with more ease:

- *Recognising their own containers, belongings or bags and learning to open and hold them.*
- *Sitting upright and eating meals at set times, using table manners.*
- *Fine motor skills including; holding a pencil to colour or trace, using scissors and glue, building or constructing, zipping and unzipping bags, dressing up toys, using cutlery, brushing their hair and using a toothbrush.*
- *Gross motor skills including; walking, running, jumping, throwing, catching and kicking.*
- *Independently balancing, walking on lines, walking up and down steps and using a handrail.*
