# STOCK REPORT

Welcome to the Stock Report for Term 1/Week 5 2018

## Swimming Carnivals

Our swimming team that competed at the district carnival in Temora did extremely well. We have many heat winners, and if there was a final for all races, most of our competitors would have been competing in the final. Georgia Reid is the fastest eight-year-old girl 50 m freestyle swimmer in the Cootamundra district and as such will be going through to Albury for the Riverina Championships. Our small schools relay team of Chelsea Reid, Skye Mayor, Sam Matthews and Georgia Reid also qualified for the Riverina Championships. Well done to all of the students involved, and again thank you to the parents for your assistance on the day.

## Special Awards for February

Our first special awards were presented on assembly yesterday, Thursday, with awards being presented for reading, art and citizenship. Photos and names of the recipients will be included in this Stock Report.

## Digital Literacy School Grant (DLSG)

Late last year I applied for a grant to expand our Robotics and coding emphasis *within the school and as a community of schools. Last Wednesday I was informed that we had been successful with my grant application and that we would be receiving a little over \$48,000 to spend on our Digital literacy program.*

*This program will incorporate other small schools in our area including Wallendbeen, Jugiong, Binalong, Wombat and Barmedman.*

*I will give you more details as the program unfolds within our schools. It should be really exciting.*

## Retirement

You may have heard around the traps that I will be retiring at the end of this year. I did inform the P&C that this would be the case and that I will be ensuring a smooth transition to the new principal at the end of the year.

This should not mean a great change in the direction of our school as it would be expected that the incoming principal will continue with the school plan we have set in place.

I will continue to work as hard as I can for the students of the school until my retirement, ensuring the best outcomes possible. 2018 is business as usual.

## School Plan

I have nearly completed a draft of the 2018 to 2020 School Plan for consideration by the parents of the school. After a workshop in week seven I will discuss the plan at the P&C meeting on Tuesday, 13 March to determine if changes are required. If you would like to discuss our three-year plan this would be the best forum. I will also send a copy of the draft plan home to all families so that you may contact me regarding your input.

*This plan must be completed by the end of term one and uploaded to our school website. Therefore any changes and/or inclusions will need to be completed before this time.*

*I look forward to your consideration in this matter.*

## P&C Matters

**Remember the wood cut is set down for Sunday, 4 March starting at 8 AM at Tony Reid's property.**

The more chainsaws and log splitters the better.

## Friday Monthly Lunches

Thank you very much to the P&C members for organising the Friday monthly lunches for our students. I'm sure they all appreciate your efforts.

## Professional Learning

Mr Trickett to attend the Early Action for Success professional learning in Wagga on Friday, 2 March, as part of our commitment to this program at our school.

Mr Trickett to attend an education Forum in Wagga on Tuesday, 6 March. This forum has been set by the deputy secretary of education for New South Wales to clarify the government's educational directions.

Mrs Webber will be attending L3 training on Tuesday, 7 March from 12:30 until 3 PM, as a continuation of her literacy learning.

Mr Trickett will attend a School Plan workshop in Temora on Monday, 12 March from 1:30 to 4 PM, as part of completing the new 2018 to 2020 School Plan.

Mrs Webber will attend PD, Health PE training in Binalong on Tuesday, 27 March, to build our capacity to implement strong programs in this area.
