THE STOCK REPORT

A message from Mr Leary...

Welcome to the Week 4 edition of The Stock Report. After the welcome rain last week the school is looking a picture at the moment.

On a bitterly cold day, it was wonderful to welcome our visitors to our Education Week Open Day last week. Both classrooms were engaged in quality learning tasks: K-2 completed a technology task while 3-6 wrote and coded a narrative using the Ozobots, then completed a watercolour artwork of a tree. A BBQ lunch, cooked to perfection by Skye Berryman, was enjoyed by all. Grandma Lynn prepared some tasty treats for the students that really hit the spot on a cold winter's day. Unfortunately we had to cancel our games afternoon due to the inclement weather.

Education Week activities included coding, watercolour paintings and technology tasks

Last week we welcomed Mr Godman back to Stockinbingal PS. He will be teaching the 3-6 class each Wednesday, which will be Mr Leary's office day. Mrs Perry, who is currently filling in for Mrs Webber, will be staying on, covering teacher release each Tuesday. It is fantastic to have committed and dedicated staff teaching our students.

Mr Godman has the students engaged in his volcanic eruption science experiment, while Aidan creates his volcano

Volcanic Eruption Experiment Recounts

It was a fountain of fizz, a mountain of blood, dripping, slipping, melting! I would love to do that at home.

Aidan

In our experiment, the eruption was less than I expected. It was a fountain of awesomeness. It erupted, foamed, fizzled and bubbled. It was an awesome experiment that I want to try at home.

Kindergarten 2020

Do you have a child starting Kindergarten at Stockinbingal PS next year? Or do you know of families who are intending to send their child to our great school? Please let Shelly or myself know ASAP- thank you!

On Wednesday we had a visit from Jess (Little Athletics NSW and Greg (Temora LAC). Jess promoted the many benefits of being involved in Little Athletics and showed the students some different equipment used by athletes, including an Olympic size shot put and discus. Rebecca did very well to hold the shot put which was huge.

If you are interested in joining the Temora Little Athletics Centre, please refer to the flyer below. The season commences on Wednesday 21st August at 4.00pm.

Who can do Little Athletics?
NSW Little Athletics venues are able to cater for children from 4 to 16 years of age, with many centres able to cater for athletes with a disability. No matter what your skills or ability Little Athletics is all about family, fun & fitness and making sure you can be your best.

How will I learn?
Many centres have coaches to help you improve and learn about athletics so you can get the most out of your involvement with Little Athletics. Learning is fun and in no time you will see your personal best (PB's) performances improve.

What are the benefits?
If you are fit it makes you feel good about yourself and you have the energy to do anything. Young people who take an interest in sport are more likely to stay fit for life.

What does my mum, dad or my family have to do?
Apart from making sure you get safely to and from Little Athletics, your mum and/or dad or your family make great helpers, officials and coaches of the future. Organising, raking, recording, directing and measuring are all jobs families and helpers are asked to do.

What events can I do?
Depending on your age group Little Athletics offers: Sprints, Middle and Long Distances, Hurdles, Relays, Walks, Shot Put, Discus, Javelin, High Jump, Long Jump, Triple Jump and Cross Country.

How friendly is it?
You will find no shortage of friends or friendships at Little Athletics! Little Athletics has provided a friendly environment for over 50 years with millions of Aussies enjoying their experience. If you are uncertain or a little shy, bring your best friend and do Little Athletics together.

How do I join?
Simply visit our website to register online or contact your nearest centre for details. You can join at any time! Run, jump, throw, have fun and be healthy.

Next Friday, 23 August, we will travel to Cootamundra for the annual book week parade. Assistance is required with transport to and from Cootamundra. Any assistance is greatly appreciated. Please return permission notes ASAP -these were sent home on Wednesday.

Thanks to Roylie for organising to mulch the rose gardens recently. It is wonderful when everyone chips in a does a bit around the place to make our little school such a special place. Keep an eye on the school as there are many other projects in the pipeline in the coming weeks.

The gardens are looking beautiful at the moment and will look magnificent come Spring

Cootamundra Zone Athletics Carnival

Congratulations to all SPS athletes who attended the zone carnival yesterday. The students did their absolute best in all track and field events and we had some students achieve very pleasing personal results. It was great to see Markus, Aidan and Jessy participate, and do very well in the new 1500m event.

I have included below the **Riverina qualifying standards** that apply to our zone, to clear up some conflicting information that was circulating at the carnival yesterday. We are allowed to nominate:

Track Events

800m: 1 entry per age group

1500m: 1 entry per age group

100m/200m: 2 entries per age group

Relay: 2 teams per age group

Fields Events

1 entry per age group for each event
